District 2 - Patrick Kennedy
District 3 - Susan Peters
District 4 - Sue Frost
District 5 - Don Nottoli

Navdeep Gil County
Executive Michael J. Penrose
Agency Administrator
Vacant, SACDOT Director

In October, Alabama Road Bridge between Borden Road and Simmerhorn Road will be temporarily closed to all vehicles, pedestrians and bicycles for bridge repairs. The closure is needed to make repairs to the Alabama Road Bridge over Laguna Creek. Alabama Road residents will have access to the north and south side of the bridge at all times, but not across the bridge.

The schedule for bridge repairs is as follows:

- **October 23:** The road will be closed at 8:30 AM to repair the north side bridge abutment, and to rebuild the south-bound bridge approach.
- **October 27:** Alabama Road is planned to be reopened to through traffic. **Note:** It is possible that repair work may be completed at an earlier date. Watch for roadside message signs announcing updated project information.
- **Detour:** Borden Road to the north and Simmerhorn Road to the south will be used as detour routes for this project. Detour signs will be posted along the routes. 🚩

We understand the challenges and many inconveniences that commuters, residents and businesses will experience during the bridge closure and appreciate your patience.

Contact Information: Please contact Sacramento County Department of Transportation Customer Service at **916-875-5171**, for detour related questions and/or project information.
