**How does the GFTH Program work?**

The GFTH Program is coordinated through the Volunteer Services/ Office of the Director of the Department of Health and Human Services. Department staff, along with volunteers, manage the pick-up, distribution, and delivery of gifts from our community partners and private sponsors to the gift recipients during the months of November and December each year.

- ❖ Social workers request gifts for children, youth, and senior clients on their caseloads.
- ❖ The requests are distributed to our community partners and private sponsors who fill the gift requests.
- ❖ Members of our community partners and private sponsors purchase and wrap gifts for clients they selected.
- ❖ Volunteers pick up gifts from sponsors.
- ❖ Gifts are turned in to social workers, delivered to children, youth, and seniors in time for the holidays.

*If you'd like a mini-GFTH presentation, please contact Tammy Liu, Coordinator, at (916)875-2027.*

## What is the Gifts From The Heart Program?

Founded in 1988, the Gifts From The Heart Program (GFTH) is an annual holiday gift-giving program with a goal of providing holiday gifts to children, teens, seniors and dependent adults served within our programs in Child Protective Services, Senior & Adult Services Divisions, and the Public Guardian/Conservator office in the Department of Health & Human Services.

Each season 90 community organizations and private sponsors donate more than 10,000 gifts to a few thousand clients who would otherwise be without holiday gifts.
