

Sacramento County
May 2016

Calling all County Photographers:

County Executive Nav Gill is looking for photos to display in the County Executive office. Photographs must be taken within Sacramento County of subject matter suitable for a business office including: architecture, recreational/sports activities, scenic locations, nature or local landmarks.

Requirements and Details:

- Hi-resolution, at least 3264 x 2448
- 300 dpi
- .jpg (JPEG) file format
- Landscape or vertical
- Photo file name should contain photographer name, year taken and specific location of photograph
- Only send photos taken personally by you or your family for non-professional and non-commercial purposes
- Please do not send copyrighted images or images that contain unfavorable or objectionable material
- Pictures containing recognizable people are acceptable if from a public event
- Photos may be edited after submission (e.g. for size)
- Photos are not guaranteed to be used
- Submitted photos may be used in other County materials (e.g. website, social media, promotional materials)
- By submitting photographs, you are indicating you have read and understood these guidelines and give Sacramento County permission to use your photos and agree to its terms.
- We will send you an email and let you know if your photo was chosen.

Due date for submissions is May 27, 2016. Send your submissions and any questions to sacpio@saccounty.net.
